Ella

There are three rites of passage in life – birth, death and when you saw Ella Hughes pretending to get married in Escort. She's bleeding gorgeous isn't she? Several of our staff are married and, before realising these pics weren't genuine, rushed out to the chemist to buy razor blades before we assured them that Ellla hadn't ruined her life, and theirs, by fastening herself for life to a vaguely inappropriate partner who nevertheless they didn't feel strong enough to free themselves from because they're "their best friend" and they do the dishes on a Sunday.

NICE NIPPLES!

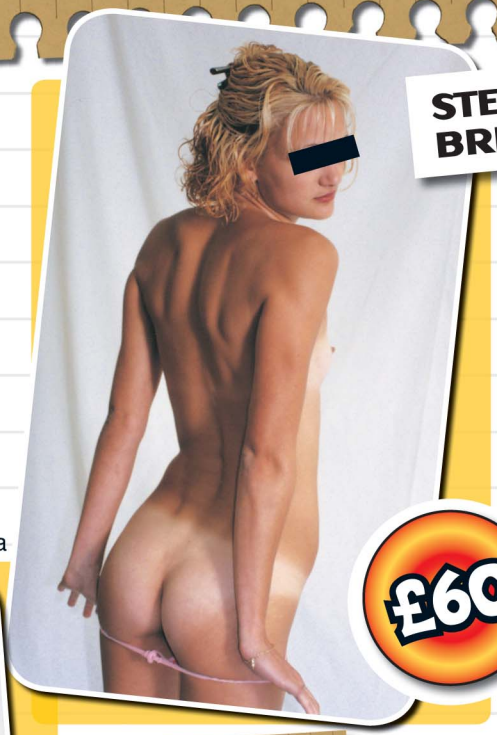
Open Season

STELLA, BRISTOL



Yes, I admit, I'm a real slut! I couldn't stick to one man. I'm just too into getting my pussy stuffed by different dicks. I like big ones, little ones, black ones, white ones.

So what happened? Why did I get married last year to this guy called Rich?

He doesn't have any option but to take my shit. He gets off on seeing me fucked by random strangers and loves to be dominated. Now that's a relationship I can stay in!

Also it means I can do whatever I want with no fear of an angry husband. That's a relief!

The other night I met a guy called Max and invited him back to mine.

Rich was already home and looked well pleased when I walked through the door with this stranger.

I took them both upstairs and chained Rich to the bed. Then I got down on my knees and closed my mouth around Max's huge cock.

Max enjoyed my sucking for a few minutes, then pushed me to the ground and thrust his hard cock up into my wet cunt.

I gasped as he drove into me and soon started to cum all over his balls.

He kept pumping me as I came, then pulled out and shoved it in my mouth.

"Swallow it," he said, then squirted warm cum all down my throat.

I drank as he came and when he was done, he left.

Rich loved watching me getting fucked and came all over my hand when I wanked him off.

Now we're looking for more guys to join our sexy fun.

Stella, Bristol.

My wife Helen had been fantasising about having sex with two blokes, getting really turned on by the porn we like to watch.

Well, when she said this I got a real hard-on, and I suggested my mate, Gary.

He's a real ladykiller, but he can be discreet if you ask him to be, and from his reputation I knew he was no stranger to threesomes. I also knew he thought Helen was pretty fit – hardly surprising, as she's a slender, big-boobed brunette.

He came round the very next week, and we wasted no time getting down to business.

Helen was naked and wanking in the bedroom when he arrived, and the two of us headed straight up, already stripping off.

Gary clambered over the bed and kissed Helen full on the lips, reaching down to frig her clit as he did so. It was the first time I'd ever seen her with another bloke,

HELEN, SWINDON

and I was as stiff as a post immediately.

Gary pulled back and, at Helen's bidding, slipped his cock into her mouth.

spat on her arsehole and eased the lubed-up finger inside her. She went wild when I did this, clenching her arse muscles against my fingers and frantically sucking Gary's cock.

Gary looked down to where I was. "Move over, mate, I think she's ready for a dicking," he said, and he pulled out and, after slapping his cock against her clit a couple of times, slipped inside her with one fluid motion. Helen groaned with lust, moaning, "Oh fuck," before I filled her mouth with my own cock. I was lying next to her head, pushing my cock in and out of her mouth as she bucked on Gary's cock. It was an amazing sight.

Gary had a broad grin on his face as he thrust into her, and Helen was shoving the fingers of one hand into my mouth, frigging her clit with the other.

After a few minutes of this, Gary said it was time to swap again, and I slipped my cock out of Helen's mouth and moved down to her pussy. She kept frigging her clit, and she seemed to be in a trance, her eyes staring into the distance as she moaned with ecstasy.

Gary didn't stick his cock into Helen's throat straight away. First, he got her to lick the thick juices off his shaft and balls, telling her what a dirty slut she was. I got down to business straight away, slipping inside her and relishing the sensation as her juices flooded around my cock and started to seep out of her well fucked pussy.

It wasn't long before both Gary and I were close to coming. Helen took over here, slipping off the bed and kneeling on the floor, getting the pair of us to wank off over her face. We came pretty much simultaneously, plastering her face with man fat, which she then scooped up on her fingers and licked off.

We were all knackered, but when Gary left, Helen and I had a slow, sexy fuck, during which I told her what a filthy slut she was. I was a little surprised that she hadn't let us fuck her up the arse, as she usually likes a bit of anal, but she said that she had to save something for another day. Fingers crossed!

Jake, Swindon.

I RELISHED THE DELICIOUS SENSATION AS HER JUICES FLOODED ROUND MY COCK

I shoved my face into her already sopping twat and started to lap away like a man possessed.

Helen was already moaning loudly, grinding her snatch into my face. I looked up to see her acting like a complete slut, her arms wrapped around Gary's arse as she seemed to be trying to swallow his cock whole.

I reached up with my middle finger and, after smearing it with her juices,

Back Door Fun

JANINE, KENT

My man, Andy, calls me his little anal fiend. Not the most romantic name, but it's a fair one. He taught me to take a cock up my arse, taking ages over lubing and opening me up first, and now it's my favourite kind of sex. I don't know why, but I always seem to come quicker, and much harder, when I'm being screwed up the arse.

A few weeks back we were having a long, slow fuck. I was sat on Andy's lap, facing forward, with my legs stretched out on top of his, so his prick was buried to the hilt in my backdoor. He didn't thrust, just moved his hips and stirred his prick around inside me. Meanwhile his hands would either be cupping my tits, pulling on my nipples, or he'd have a couple of fingers up my cunt while his other hand played with my clit. It was like I couldn't stop cumming – as soon as I came down from one orgasm, my cunt and arse would go all tight and tingly again, and I'd feel myself going into spasm. Andy'd part my labia with his fingers, so my juices would drip out of my hole to soak his balls.

When I was all cummed out and crashed out against him, unable to move – he rolled me gently onto my stomach and started fucking in and out, until he was flooding my arsehole with spunk. It was the horniest feeling – Andy lying over my body, his naked chest against my back, all warm and slightly sweaty from cumming. And of course his big cock was still buried in my arsehole, his balls all bunched up against my cheeks.

One week he came home with a sexy surprise for me. We stayed in, had a couple of drinks and took the phone off the hook, Andy giving me a bit of a massage which concentrated on my bum. My arse was all oiled up and ready for his cock, but instead he got out a string of seven big round beads with a little handle on the end, which he slipped, one by one, up my arse. I must have looked a bit surprised and he said he couldn't believe I'd never heard of anal beads before.

I've got loads of other sex

toys, though, and he got out my biggest dildo and a vibrator. There's something really horny about when he uses them on me, like playing doctors and nurses. He always acts really cool, like it's all about me and doing absolutely nothing for him, but he can't hide the hard-on it gives him.

He had me open my legs wide – just moving with the beads inside my arse gave me a little orgasmic twinge – and, when he slipped the dildo inside, I felt it rub against them. He fucked it in and out, really slowly, then switched on the vibrator and held it against my clit.

Instantly my hips began to buck. I reached up and started playing with my nipples – Andy loves seeing this – but it was too much. A couple more seconds would have sent me right off the scale and what Andy was doing to me felt so good I wanted it to last as long as possible. That wasn't long, mind – I started whimpering that I was cumming. I was clenching around the dildo – it was jerking against his hand. Next thing I knew he'd grabbed the handle of the beads and started pulling them out of me, one by one. I nearly hit the ceiling it felt so incredible. All the while he was touching the vibrator to my clit – it just felt so intense.

Once I'd finished cumming, he eased his cock inside my snatch – I wasn't sure I could handle it, I was so sensitised from what he'd been doing to me. Once he was in, though, I started tingling all over again, my hole rippling around his shaft just before he pulled out and moved up so he could finish off all over my tits and face.

Janine, Tonbridge.

Anal Virgin

I'll admit that knobbing my best mate's girlfriend was probably the lowest thing I've done in my life, and writing in to you blokes about it probably makes it even worse, but keeping it to myself is half-killing me!

JULIA, ESSEX

CONTACT ME

I turned up at their flat, forgetting my mate had gone away for the weekend. Julia, his other half, was there, though, and offered me a quick beer. I ended up staying to watch a video and share a pizza when things started getting a bit suggestive.

At one point she asked me about anal sex and if I'd ever done it – because, she said, my mate really hated the idea. I told her how one girl had really loved it and Ju seemed to be turned on by the idea. I could tell she was desperate to give it a go.

I finished my drink and asked her was there any chance he might come back that night. "No way," she said, so I told her to make sure the door was locked.

She came back grinning, snogged me and laid back, pulling me on top of her. I already had a raging boner. Good thing too, as I'd need to be hard to get inside her tight virgin arse.

We had a straight shag first – if you're going to mess around like that may as well make the most of it – and Ju had shaved her lush little pussy earlier in the day, which just made fucking it even more of a thrill.

I SCOOPED THE SPUNKY JUICES OUT OF HER PULSING CUNT

When it was finally time for me to have a go at her bum, I spent ages over playing with it, getting her relaxed. She didn't have any lube and so I scooped the spunky juices out of her cunt and smeared it all over my prick and her arsehole.

I took things slow and gentle so I didn't actually have any trouble getting inside her. I had her tense herself against the head of my prick, then relax so I suddenly slipped in. She gasped as I went through her ring, then moaned as I moved deeper inside her. I just stayed deep, not thrusting so she'd get used to the feel of my big prick filling her arse. I've never had such a tight fuck in my life.

I pulled her back so I was kneeling and she was on my lap, sitting back on my prick. Then I started playing with her clit. Instantly, she started moaning as I caressed her nub. She came so hard I had to hold her steady, the juices pouring out of her unplugged pussy to soak my balls.

I'd have happily pulled out then and there, even if it had meant finishing myself off with a wank, but Ju said she wanted the whole experience, she wanted to feel a warm, thick load of spunk shoot up inside her arse. I got her on all fours again and started thrusting, holding her by the hips. When I came it lasted ages longer than normal, jet after jet of spunk flooding out into her tight hole. When I pulled out, the sight of her arse slightly opened from the size of me and dripping my cream down over her slit almost got me cumming all over again.

It was a mind-blowing night all right!

Dean, Essex.

KELLY FOX ASKS: 'IS IT TIME FOR MY DRILL?'

FIRE FOX!

OK, you got us. Tiffany Fox isn't one of the boner fide British babes we usually stuff our pages with. But she was over here on holiday ("to see the Eiffel Tower" – typical Yank, eh?) and came to see us. We thought it would be rude to preclude her on the basis of nationality because firstly she's fit as fuck and can wrap her legs around her head so she resembles a delicious salty pretzel, secondly we're all London liberals in the office and welcome those of all colours and nationalities and thirdly, they're letting anyone in these days, aren't they, so we did too.

Gone for a song

I've had my best shags with girls on the rebound. Alison was in this situation – and wanted to mark her freedom with a shag.

I was waiting for a train, when she asked what I was listening to. I told her and she said she'd fucked her ex to it once – and he'd finished before the song had!

That was a challenge. She gave me her number and I got so hard thinking about what I'd like to do with her I rang her at lunchtime to fix a date for that night. "Just come round mine after work," she said, which virtually had me creaming my jeans.

All she was wearing when I arrived was a bathrobe. She had the CD primed and ready as we flopped down on her bed. I tried to play it cool, moving back a couple of tracks, saying that I thought some foreplay might be good.

I went down on her and knew instantly her fingers had been busy: her clit was all puffed up, pink and slippery and her cunt was swimming with creamy juices. She seemed to like it best when I sucked her bud and fucked her with three fingers.

The song started so I slipped my cock up Alison's cunt. I paced myself, not easy when you've got a gorgeous, horny woman grinding her sodden, tight pussy against your groin. If I slowed down, trying to hold back, she'd dig her heels into my arse and run her fingernails up and down my back. I just ground down harder, letting her take more of my weight, my hips parting her legs as wide as they'd go.

She came before the end of the song and I carried on screwing her, burying my face in the crook of her neck so she couldn't see me grit my teeth as I strained to hold back. Finally, I thought, "Fuck it…", so I arched my back, plunging in deep, as I shot my load.

She clamped her legs around me, holding me inside her. Then she whispered that she was going to suck me clean.

Sun, Sand, Sex

Over the past couple of summers I've worked as a seasonal holiday rep in Spain.

Everything was more sexed-up than ever this year with topless contests.

The audience really loved this one girl, Sammy, a saucy Brit babe. She was as sexy as fuck and obviously loved showing off her body.

A bit of a poser, but in a nice way, and laughed her head off when one of her mates grabbed a slice of watermelon from the buffet and started rubbing it all over her body.

Then all hell broke loose as all the other girls joined in – worse, she fell over, and ended up on all wet and sticky and covered in sand.

I went to check she was okay and sprayed her with a hose someone had set up outside a nearby surf bar.

Reps shagging tourists is strictly against the rules, but I decided to take the risk.

I waited until Sammy was alone, which didn't happen often and asked her if she wanted a couple of drinks on the house. She did, and I led her off into a staffroom I poured her a couple of fingers of rum and a splash of cola, which she downed in one, and I tasted it on her tongue as she stuck it in my mouth. "You don't have to get me drunk," she said, and before I could answer she'd dropped onto her knees and got my cock out of my shorts.

She started gobbling away, taking me right down her throat

I reached down and slipped her dress straps off her shoulders, so I could watch her full tits wobble as her head bobbed in my crotch.

Right away, she wrapped

Her tongue flicked over my helmet, lapping up her own fuck juices, but I soon got into what she was doing to me. I don't remember going soft – she started sucking my prick, her nails scratching gently at my balls as she sucked and licked my helmet.

SHE DUG HER HEELS IN MY ARSE AND RAN HER NAILS UP MY BACK

This time it wasn't foreplay – she wanked me against her tongue, her hand squeezing tight as my shaft slipped in and out of her fist. And I just went with it – I didn't try to hold back. She knew when I was cumming and she moaned with pleasure around my prick, letting the first jets of my spunk explode over her tongue, before pulling away to take the rest on her face and tits.

How anybody could chuck a dirty bird like that is beyond me!

Martin, Gloucs.

her hand around my shaft and started stroking the head of my cock, all soaked with her spit, over her boobs, tapping it against her nipples to get them harder. She slipped it back in her mouth to keep me on the boil as she reached in between her legs, spooning out a mass of juices with her fingers. She slapped this on my shaft, then shoved her tits together around it.

It was such a tight, horny wank, Sammy kneading her soft, firm flesh around my hard-on. My love-eye was oozing wet and she couldn't resist lapping it up.

"Want me to spray you again?" I asked. Sometimes it's better to keep your gob shut, and Sammy closed hers around my prick.

I spurted my entire wad into her mouth, and she let the lot of it pool on her tongue, as I saw when I pulled out.

She looked so gorgeously dirty sat there with her well-fucked tits out, stretching little strings of cum from her mouth and rubbing them over her nipples. Amazing fuck and a summer to remember.

Porno Night

I'm writing to tell you about what happened to me one night, after an evening out with my husband Kenny and a friend of ours called Frank.

Kenny invited Frank back to our house to watch porn.

We were watching one with a woman being fucked by two men. I looked at Kenny, who had his cock in his hand and he told me to suck it so I slowly eased his cock to the back of my throat. Frank looked over and Kenny told me to get Frank's cock out and suck it to.

I eased his pants down and taking his lovely thick hard cock straight down my throat. Frank moaned and started to massage my tits.

Kenny came over and also started to play with my tits as I sucked Frank and began to wank Kenny's cock. I then went back to sucking Kenny while Frank lowered himself to the floor and lay on his back. He pulled down my knickers then buried his tongue deep inside my dripping wet cunt.

Things moved very quickly after this and the three of us were very soon naked. I sat on Frank's cock and started to bounce up and down while Kenny stood next to me and started to fuck my mouth.

I was in heaven being well and truly fucked by a cock at both ends. Frank was the first to cum, filling my cunt with thick spunk.

I screamed with the pleasure of my own orgasm, swiftly followed by Kenny filling my mouth with hot, salty love juice that I eagerly and quickly swallowed. For the next three hours I was fucked non-stop at both ends by the man I love and the man I had always wanted to fuck.

I love being fucked at both ends at the same time, but the highlight of the evening was having Frank's cock buried deep inside my cunt while Kenny fucked my arse. That made me cum over and over.

I received three lots of cream down my throat that night, and two lots up my cunt..

What a satisfying night to remember.

STELLA & TINA

It's abso-bloody-lutely freezing in the Escort offices as we slave away by candlelight, typing in our fingerless gloves and delving through great piles of pictures so you can sit in your toasty bedrooms with your copy of Escort. If there's anything that can warm us up it's this troublesome twosome, Stella and Tina, who get temperatures soaring wherever they go. Scott would have strolled back from the Antarctic if he'd ditched the huskies and had these two. They should send them to Moscow to unfreeze Russian-Ukrainian relations. And now we're feeling hot, hot, hot ourselves!
